Program Summary

Reading & Math, Inc. AmeriCorps members will provide core mathematical skills to students in 255 schools across Minnesota. At the end of the first program year, the AmeriCorps members will be responsible for providing in-school tutoring services to help 6,960 children in grades 4-8 to improve their academic performance in math. In addition, the AmeriCorps members will leverage an additional 200 volunteers who will be engaged in helping students to understand the connection between math instruction and high-paying STEM careers. This program will focus on the CNCS focus area of Education.
